- ❖ If I leave my iPad in a classroom, when I am supposed to take it to the next class (just as with any other school supply) I will not be able to go back to the classroom to get it. I know that I will not be given my iPad until the next day when I return to that class.
- ❖ I know that my iPad cannot be in the cafeteria, on the stage, or in the gym for PE.
- ❖ I will not carry my iPad in any bag.
- ❖ I will never remove the protective cover. My stand can be removed temporarily to change sides, but will always be returned to the protective case.
- ❖ I will only use my school issued gmail account and no other email on my iPad with the knowledge this communication is for school related purposes.
- ❖ I know that this experience is a privilege and I take this responsibility seriously
- ❖ I will not update anything on the device, even if I get a prompt to do so. The only time that I update anything is when I am directed by my teacher.
- ❖ If I move to restricted access or lose my device, my parents will be notified.
